ABOUT US

SAWIC & BE Gauteng Chapter is a dynamic organization established in 1997, dedicated to empowering women across the construction and built environment value chain.

We supports the growth of women-owned enterprises through improved access to training, finance, networks, and industry opportunities. Committed to gender equality and industry transformation,

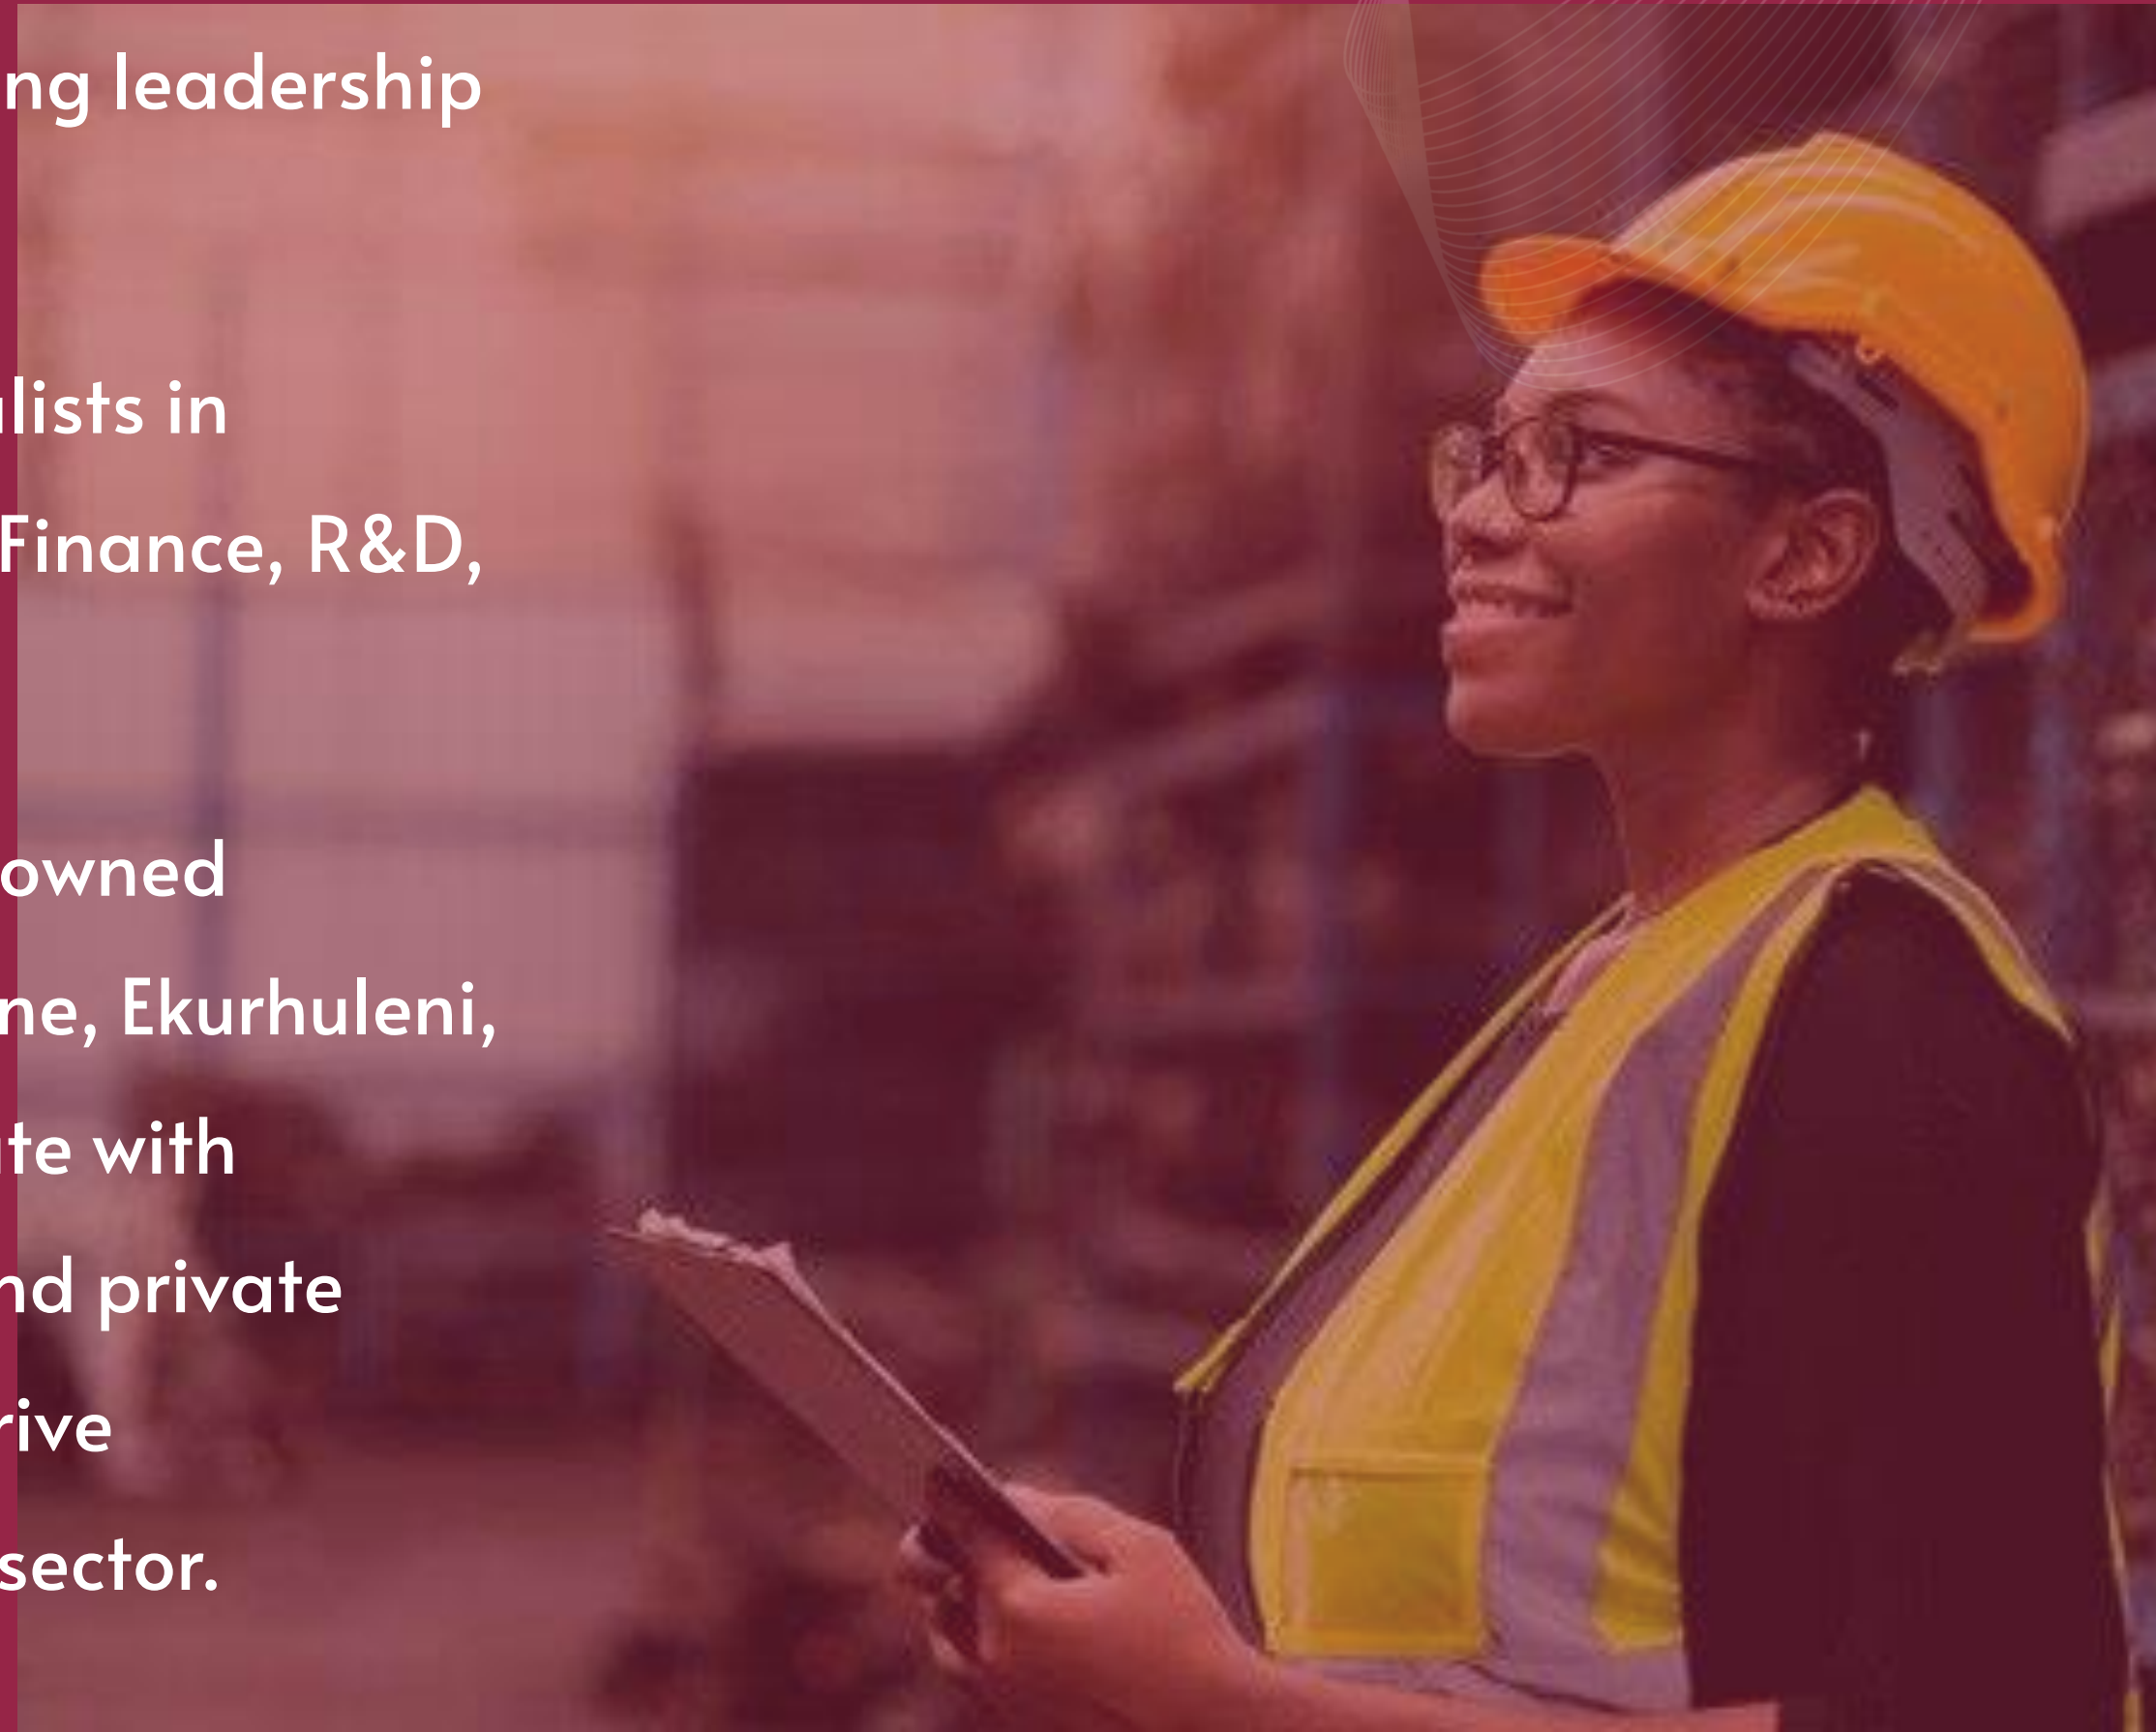

SAWIC & BE fosters an inclusive environment where women-led businesses can thrive and contribute meaningfully to economic development in Gauteng

ORGANISATIONAL STRUCTURE

SAWIC & BE Gauteng is guided by a strong leadership framework comprising:

Provincial Executive Committee – specialists in Membership Development, Operations, Finance, R&D, and Stakeholder Engagement

Our membership base includes women-owned businesses across Johannesburg, Tshwane, Ekurhuleni, Sedibeng, and West Rand. We collaborate with industry mentors, government bodies, and private sector partners to amplify impact and drive transformation in the built environment sector.

VALUE PROPOSITION

SAWIC & BE Gauteng offers a dynamic platform for women in construction and the built environment to:

- Network and forge strategic partnerships
- Access business opportunities and procurement channels
- Participate in capacity-building and skills development initiatives
- Influence industry policies and transformation agendas
- Gain mentorship and enterprise support

Our comprehensive programs empower women-led enterprises to compete confidently, participate in large-scale projects, and contribute to national economic growth.

CORE VALUES

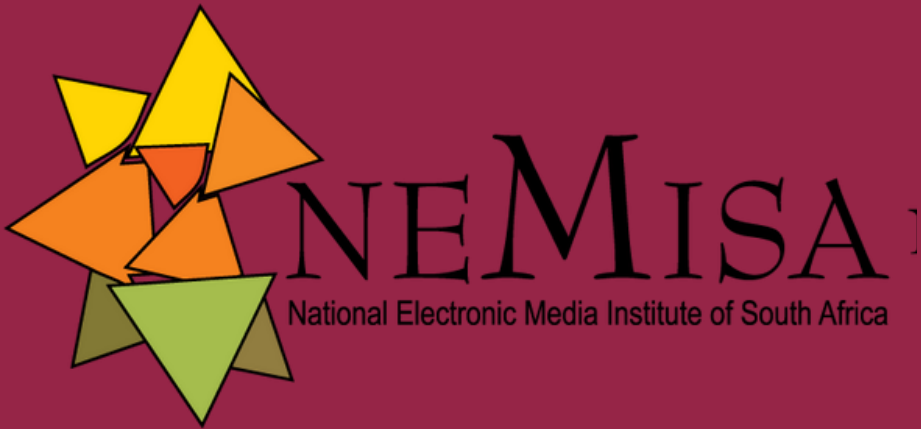

- Network Leveraging: Building strong partnerships for mutual growth
- Advocacy: Promoting women's participation and representation
- Skills Development: Enhancing technical and managerial competencies
- Capacity Building: Preparing enterprises for large project delivery
- Collaboration: Supporting co-operatives, co-production, and shared initiatives
- Access to Resources: Facilitating materials, finance, and economic opportunities
- Thought Leadership: Influencing policy and industry best practices
- Integrity & Inclusivity: Upholding transparency, fairness, and diversity

OBJECTIVES

- Promote and support the advancement of women within the built environment sector
- Foster entrepreneurial growth of women-owned enterprises
- Encourage cooperation, mentorship, and knowledge sharing among members
- Enhance access to training, funding, and procurement opportunities
- Advocate for equitable procurement policies and industry reforms
- Drive industry transformation through innovative practices and policy engagement

AFFILIATIONS & PARTNERS

SAWIC & BE Gauteng maintains strategic alliances with key stakeholders, including:

OUR ACHIEVEMENTS

Membership Growth

Established a network of 36 women-owned entities across sectors like construction, property development, management, manufacturing, and services.

Capacity Building

Launched targeted training programs, mentorship schemes, and industry workshops.

Procurement Access

Facilitated increased participation of women-led projects in tendering opportunities.

Policy Influence

Advocated for gender-inclusive policies within government and industry forums

Industry Recognition

Contributed to national transformation dialogues and industry innovation initiatives.

Networking and Events

Organized industry forums, seminars, and networking sessions to foster collaboration and visibility

PAST PROJECTS

HOW CAN PEOPLE SUPPORT SAWIC & BE?

- **ADVOCACY AND AWARENESS**

- a. Help raise awareness about SAWIC & BE's mission and work through social media, community platforms, and word of mouth.
- b. Advocate for the inclusion and empowerment of women in the construction and built environment sectors.

- **PARTNERSHIPS AND COLLABORATION**

- a. Collaborate with SAWIC & BE on projects, initiatives, and training programmes that uplift women in construction.
- b. Organisations can partner with us to offer mentorship, technical support, or access to markets and resources.

- **PROCUREMENT OPPORTUNITIES**

- a. Government, private sector, and parastatals can support by allocating procurement opportunities to women-owned businesses affiliated with SAWIC & BE.
- b. Include SAWIC & BE members in supplier development programmes and preferential procurement channels.

- **SKILLS DEVELOPMENT AND TRAINING**

- a. Offer sponsorships, bursaries, and training programmes that target women in the construction and built environment.
- b. Volunteer as trainers or mentors to upskill and empower our members.

- **MEMBERSHIP AND VOLUNTEERISM**

- a. Encourage women in construction to join SAWIC & BE and actively participate in chapters across the country.
- b. Volunteer your time, skills, or resources to support our initiatives and community outreach efforts.

- **FUNDING AND DONATIONS**

- a. Support our programmes through donations, sponsorships, or funding of specific initiatives such as youth empowerment, mentorship programmes, or women-led infrastructure projects.

- **PLATFORM AND VISIBILITY**

- a. Feature SAWIC & BE members in industry publications, conferences, and panels to increase their visibility and credibility.
- b. Invite SAWIC & BE representatives to speak at industry events and engage in policy dialogue
